

Hygiene Kit Drive

I'm participating in an education through action project called **Act Out Now**, which is committed to bringing service learning opportunities to young people. For our current service project, we are working with **Hospital Sisters Mission Outreach** to collect items needed for hygiene kits that will address unmet medical needs of people in developing countries. These kits will be used as learning tools in literacy, hygiene, nutrition and health classes. They are also distributed to people who understand personal hygiene but have limited resources.

My family is responsible for collecting the following items:

However, any of the following items can be donated: hand towel, wash cloth, fingernail clippers, bath-size bar soap (3oz or larger), toothbrush in package, toothpaste (6.4oz or larger), band-aids, & comb.

You can help by simply placing any of the above items in this bag and leaving it on your porch by

Your Donations Are Greatly Appreciated!!

Thank you!
